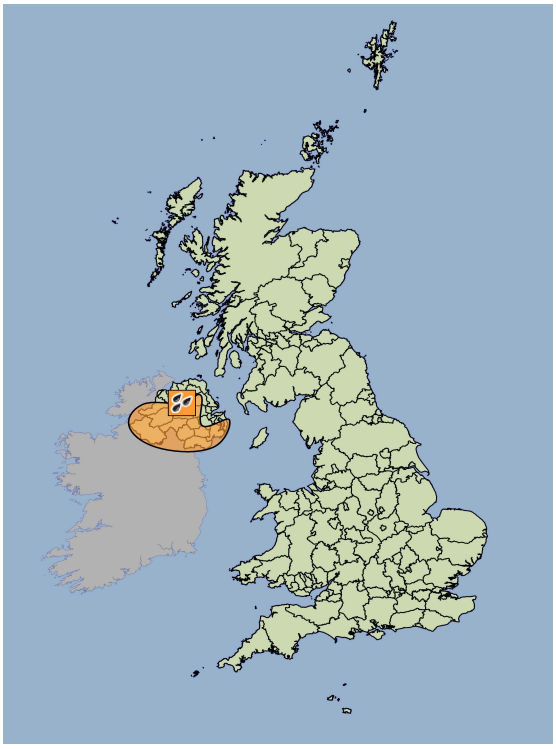
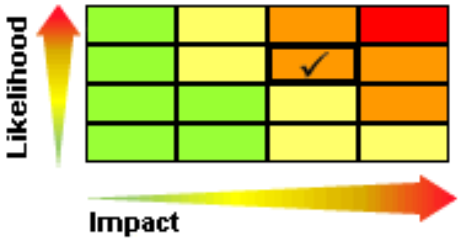
National Severe Weather Warning Service





Chief Forecasters Assessment
A slow-moving cold front will move across Northern Ireland from Tuesday evening onwards into Wednesday morning. Rainfall accumulations of 20-40 mm and locally in excess of 60 mm are possible over the area marked by the amber warning. Further heavy showers will then follow during Wednesday daytime.

The Met Office have issued an **Amber Warning** of **Rain**

Valid from **21:00 on Tue, 29th Dec 2015** until **07:00 on Wed, 30th Dec 2015**

Rain, heavy at times, and often prolonged will affect Northern Ireland from Tuesday evening onwards through into early Wednesday morning. Please be prepared for possible disruption including flooding from rivers and surface water.
